FALL DINNER MEETING (2009)

Featuring

Gerald Hoepfner, FCIA, FSA, MAAA
Assistant Vice President, Manulife Financial

Asset and Liability Management in Asia

Unique product designs, emerging investment markets, local accounting and solvency requirements, and a 12-hour time difference are just a few of the many factors that make ALM in Asia interesting. The focus of this presentation will be on the many differences between ALM in Asia vs. North America.

Gerald Hoepfner has many years of work experience in various roles, all at Manulife Financial, including US Individual Pricing, Reinsurance Pricing, Reinsurance Valuation, and ALM. He has been responsible for ALM functions for the last 3 years, and assumed a managing role for investment decisions of the Asian division last year.

Come and network with fellow members of the Club and enjoy a fabulous feast! A special early bird draw prize will be made at the end of the evening.
