

Our fall dinner meeting will be held on Thursday, November 17th, 2016, at Crown Princess Fine Dining in Toronto. We are pleased to have **Mr. Jonathan Bradbury**, SVP / Project Leader of Valuation Systems Transformations, to be our guest speaker of this event. The topic will be

"Riding the Tiger of Rapid Change"

In his role, Jonathan is responsible for the program management and timely execution of the VST program, a global program which will standardize the end to end valuation processes.

Prior to Manulife, Jonathan spent 25 years working in Asia in a variety of finance related roles. As a scientist and banker by training, he moved to Hong Kong in 1987 and soon developed a passion for using technology to improve processes and systems in banking. Jonathan will share with us his journey of advancing technology solutions and bringing changes to insurance companies in Asia.

Join us for an informative presentation and Chinese banquet meal.
