

Our fall dinner meeting will be held on Thursday, November 8th, 2018, at Crown Princess Fine Dining in Toronto. We are pleased to have **Mr. Steven Chen**, Principal at Oliver Wyman. The topic will be

"Risk Based Capital Development in India"

Mr. Steven Chen is a Principal in the Toronto office of Oliver Wyman Actuarial Consulting. Steven has over 10 years of life insurance and annuity experience. He is also a council member (2019-2022) of the SOA international section.

The Indian insurance sector has continued to grow in scale and diversity. The insurance regulator, IRDAI, plans to comprehensively update the solvency regime to a more risk-based approach in the next few years. This presentation will provide an overview of the risk-based capital development in India and discuss the key implementation challenges and potential impacts to the insurance industry.

As a returning speaker, Steven will also give a brief update to the presentation A Money and Information Business: Insurance E-business Development and Trend in China he presented at our club 5 years ago.

Join us for an informative presentation and Chinese banquet meal.
