

Our fall dinner meeting will be held on Wednesday, November 6th, 2019, at Crown Princess Fine Dining in Toronto. We are pleased to have **Mr. Mike Lombardi**, President at MLBC Consulting. The topic will be

"A Past President's View of the SOA"

Mike Lombardi is President of MLBC Consulting and a Board member of Foresters Financial. As a past president of the Society of Actuaries, Mike found the SOA to be a very interesting organization and he will share with us many aspects of the SOA.

It will be a great opportunity for us to learn about the SOA budgets and strategic plans, functions of certain committees such as the Asia and Greater China committees, the SOA's international role, insights and stories around key events. Mike will also cover many other interesting topics in which many of us can learn a great deal.

Join us for an informative presentation and Chinese banquet meal.
